Camp Elphinstone

"Nature is a tool to get children to experience not just the wider world, but themselves." - Stephen Moss

3 days at Camp Elphinstone went by in the blink of an eye. Gr. 6/7 students gained shared experiences in nature, supported each other in trying new activities, modelled growth mindset, and demonstrated care for self, others, and the land. We came back from camp more connected!

Thank you to all staff who supported this wonderful experience!
