Music in the Park/ Community Picnic

What a wonderful afternoon of music, joy, and connections! On June 15, Div 1 - 6 bands shared their talents with us. Big THANK YOU to Ms. Kihara for leading students to play a wide variety of songs! The afternoon was followed by a Parent Appreciation event and Community Picnic. Gratitude to teachers who put together a beautiful and thoughtful display of treats and gifts. THANK YOU to the PAC for organizing and supporting the community picnic. Games, entertainment, food trucks - most importantly, FAMILY TIME!

Thank you to this year's PAC Executives. Your dedication and support for our school have been a gift!
