

More Than A Movie

Presented in partnership with
BC Place and PavCo BC

Experience the movies like never before...
On the Big Screen at BC Place!

About the Event

Discover the magic of More Than A Movie, an unforgettable community event hosted by Kids Up Front. Immerse your children in a unique film experience at the iconic BC Place. Help us welcome up to 3,500 kids and their families to partake in this awesome event, along with 200 attendees who will enjoy an exclusive tour of the BC Sports Hall of Fame.

Prepare for exhilarating on-field activities like kicking soccer balls and throwing footballs, and capture memories with team mascots from the BC Lions, the Canadians, and the Whitecaps. The highlight of the event; an awe-inspiring movie screening on the colossal Jumbotron. As you indulge in hot dogs, refreshing drinks, and mouthwatering popcorn, your kids will be captivated by the cinematic spectacle.

Your participation goes beyond enjoyment - it's an opportunity to make a difference. Use the QR code to purchase tickets, and for every ticket sold, another will be donated to a child to experience the magic. These donated tickets will be distributed to 110+ partner agencies that uplift communities facing barriers including poverty, newcomers, immigrants, marginalized people, or those dealing with physical or mental health issues.

Double your impact and donate purchased tickets back to Kids Up Front. In return, you'll receive a charitable tax receipt for the ticket's value, while a deserving family gains access to this incredible event. Embrace the act of giving and join us at More Than A Movie.
