### Student and Family Affordability Fund

The provincial government recently announced a renewal of one time funds for the *Student and Family Affordability Fund*. This fund is designed to assist families who require financial assistance with school-related costs in the following areas:

- school and course fees
- school supplies and course materials
- field trips
- school-related extracurricular opportunities

- clothing and footwear required for sports and school activities

Please reach out to our Principal, Linda Chau, by email(lchau@sd38.bc.ca) if you are in need of assistance. As always, all requests will be treated with dignity and your privacy will be respected. We want to work with our families to ensure that our students, your children, have everything they need to be successful at school. Please do not hesitate to reach out if we can help.

## PAC Movie Night

### ★ Family Movie Night Cash Sales ★

The Grade 7 students are thrilled to announce that we will be hosting cash sales at our upcoming Family Movie Night. Get ready to satisfy your cravings and support our incredible graduates!

## Community Fridge

We are excited to share that we now have a new community fridge at our school. The fridge is funded through the Ministry of Education Feeding Futures Program.

Regularly, we receive deliveries of fruit yogurts, individually packed peeled eggs, fruit and granola bars. We thank the Richmond Food Bank and Richmond Firefighters who are now delivering and stocking our fridge every two weeks.

Classroom teachers will be sharing with our students the purpose of the fridge which is to be able to access food for anyone who needs it. We are using this flow chart for students to ask themselves questions before accessing the fridge. We want to make sure students eat their snacks and lunches from home first before helping themselves to these foods. All students at our school have access to the fridge which is located right in the main office.

Thank you for your support and for also having these discussions with your children at home.

## Student Learning Survey

During the months of January to April, the Richmond School Board is participating in the 2024 Ministry of Education Electronic Anonymous Student Learning Survey Project in cooperation with all other school districts throughout the Province. The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/guardians/caregivers, teachers, and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province – in addition, questions from the school and/or district that focus on local conditions or issues may be included.

Parents/Guardians/Caregivers can complete the online Anonymous Student Learning Surveys any time before 11:59pm May 3rd, 2024, providing immediate results to the school and the

district. For 2024: Students in Grades 4, 7, 10 and 12 complete the survey; Parents/Guardians/Caregivers of Grade 4, 7, 10 and 12 Students complete the survey; and all Staff associated with a School complete the survey.

To complete the survey:

1. Go to any computer that has an up-to-date internet browser access at home, work, or school.
2. Go to <https://www.awinfosys.com/SurveyFull1/central/main/access.asp>
3. Under the section Direct Access – no logon number required select: • District: 38 Richmond • School: General Currie Elementary School • Language: the language of your choice
4. Complete the survey by clicking on the appropriate circle to answer each question. Move to the next set of questions by clicking on the right arrow in the bottom right corner of the screen. Click on the left arrow to navigate backwards.
5. When you are finished the survey, you will get a message “Thank you for sharing your views”.
6. Once complete, your school will have the results immediately.

Thank you for participating in this project.

## Back Parking Lot Safety

A friendly reminder that the back parking lot is for staff only. Drop off and pick up is in the front parking lot. Often, we will find students running across the back parking lot and this could be very unsafe, especially during the beginning and end of the school day when traffic volume is high. Also, many cars are parked illegally and this makes it difficult for some staff members to enter and leave the parking lot.

We appreciate your attention to this safety concern.

## Our School Story

We have a new Evidence Post for Our School Story!

Our Focus/Inquiry Question this year is:

*How does a growth mindset support our learning in literacy?*

See our evidence & action plans [HERE](#).

## Summer Learning 2024

Come and join our fun and engaging summer learning programs where you can explore new interests, learn new skills, review or preview academic courses or complete a full credit course. Registration begins Monday, April 22nd. For more information, please click [here](#)
