Hello Currie families

Sunday October 5th, is World Teachers Day. This is a day dedicated to recognizing the invaluable role that educators play in shaping the minds and futures of our students. This day serves as a reminder of the profound influence that teachers have on learning and growth, not just within our classrooms, but throughout our entire community. I encourage you to take a moment and think of the teachers that have made a difference in your life, or in the lives of your children or family members. We are truly grateful for all of the educators here at General Currie who help to create the conditions that allow our Currie All Stars to shine bright.

Photo Day: Photo Day is on Monday!

Students will be photographed at school.
On photo day, no order form or payment is due.
