June 19th, 2026

Hello Currie families
Today we celebrated out grade 7s with a special ceremony. Thank you to all of the families that attended and helped prepare the gym and the lunch. I know it was appreciated!
Please see below for some important information:

Notice of Late return

If you are going on holiday this summer and do not expect to be back on the first day of school, please

complete and return the Notice of Late return form attached to this email. Students that do not attend the first week of school risk losing their spot unless we are aware of their absence. In addition if your child **is not returning in September** **please ensure you have notified the office.** This allows us to welcome students on our waitlist.

Lost and Found

We have many many items in out lost and found. Please come by the school to have a look, and claim what is yours. Unclaimed items will be donated to charity next week.

A message from our Library:

Book Detectives Needed - Return Your Library Books 🔍

Hello Currie families. Please help us solve the mystery of the missing library books! Students are reminded that all school library books should be returned by now. This allows time to organize and prepare our collection for September.

Thank you for your help,
Ms. Bohonos

Special Program Offering

The **Richmond Integrated Child and Youth Mental Health** program is offering a special summer program for children with anxiety, June 29- July 3. See below for details :

The Brave Detectives (2 weeks away!)

- M/Tu/Th/F: June 29, 30, July 2, 3 (no session on Canada Day)
- Time: 9:30-11am
- #200-6100 Bowling Green Rd, Richmond
- For Richmond children going into grade 1-4

Through fun interactive games and activities, this group will focus on:

- understanding how anxiety shows up in the brain and body

- recognizing anxiety within thoughts and emotions
- learning coping strategies and mindfulness exercises to build self-regulation skills
