## **Student Attendance**

If your child will be late or absent, please call our Early Warning Line, at (604) 668-6441 and leave a voicemail.

It is not our intention to infringe on your privacy in any way. This program is for the safety of your child.

All absences are to be reported through the Early Warning Line. Please remember to let the office know of any absences or lates as emails to teachers could be missed.

## **Extended Absences**

If your child will be absent for more than a week you will need to complete an Extended Leave of Absence form as well as advise your child's teacher.

## **Leaving School Early/Early Pick Up**

Should your child(ren) need to leave school early before the end of the school day, please send a note with your child to give to the teacher to advise the time you will be picking up or let us know via the Early Warning Line. This helps with the head count during emergency procedures and gives us a heads up so that we can have them ready for pick up.
