OUR SCHOOL STORY

Inquiry: How does having a **growth mindset** help us as learners?

Our School Story shapes our school focus and actions in relations to student learning. It evolves over time and is driven by student voice. Check out some actions we have taken around growth mindset - [HERE!](#)

Captured Moments:

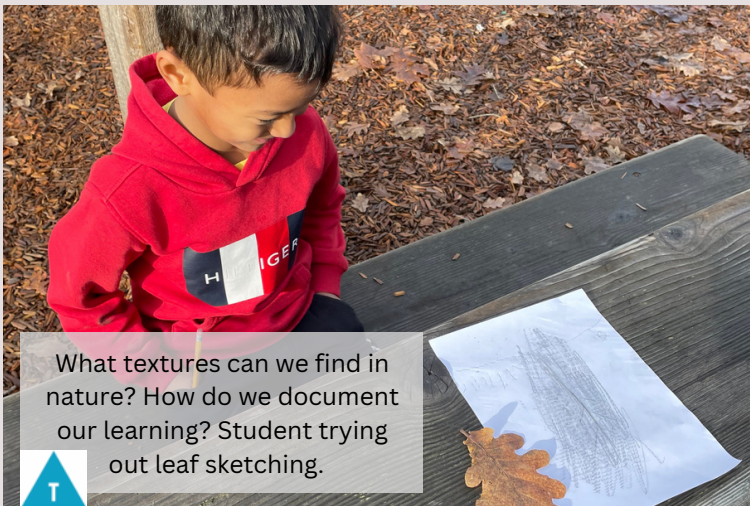

Check out what Currie students have been learning this week!

Div 16/17 students collaborated to create a map of our outdoor spaces. Where do you find connections in our outdoor learning space?

During collaboration time, primary students read a story about growth mindset and shared their strengths with each other. How can we celebrate our unique gifts?

What textures can we find in nature? How do we document our learning? Student trying out leaf sketching.

Students in Div 14 celebrated the new year by exploring colours using scratch art.

"I like that you can use your imagination to make what you want." - K

"The colours and fireworks are beautiful." - M
