Black History Month

OUR SCHOOL STORY

Inquiry: How does having a **growth mindset** help us as learners?

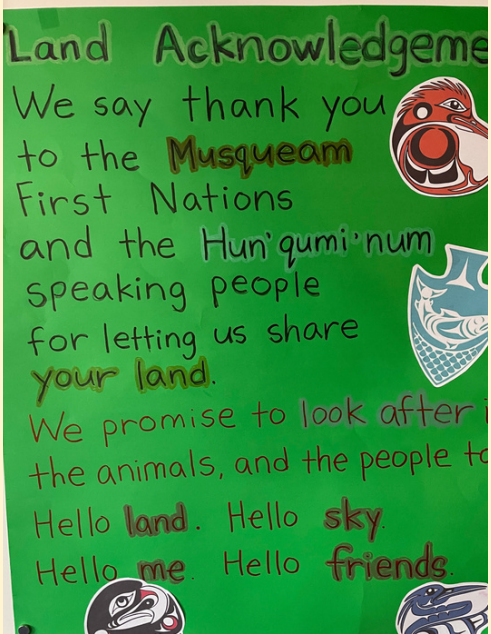

Our School Story shapes our school focus and actions in relations to student learning. It evolves over time and is driven by student voice. Check out some actions we have taken around growth mindset & evidence of learning [HERE!](#)

Captured Moments:

 Div 16 students played and explored with KEVA blocks. What designs can we create? How can we build the tallest tower?

Div 11 students used Pic Collage to create an "All About Me" presentation during collaboration time in the Library.

Teacher Candidate Ms. B worked with Div 21 students to create their own Land Acknowledgment.
