OUR SCHOOL STORY

Inquiry: How does having a **growth mindset** help us as learners?

Captured Moments: Curiosity, Care, Collaboration

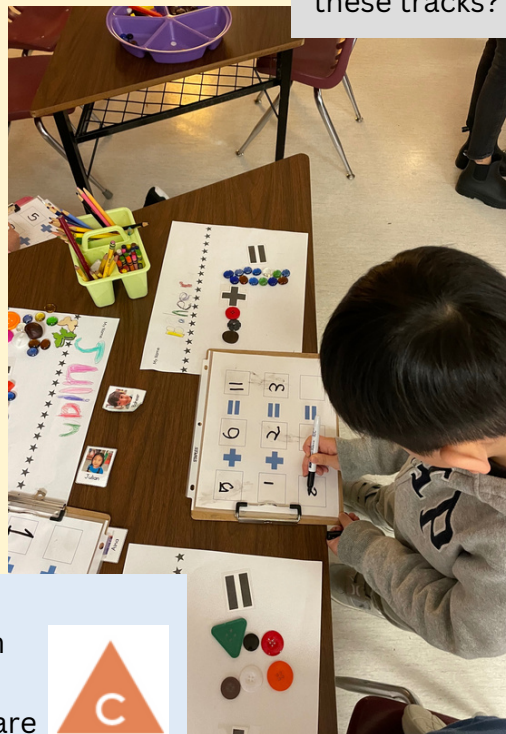

Currie Cares for place and land. Students took initiative to clean up the school grounds.

A surprising snow fall gave us an opportunity to play and wonder. Who left these tracks? What can we build?

Math Exhibition in Div 21! Students used different materials to create an addition story, then visited stories created by peers - How might we share ideas through numbers?
