

Week at a Glance: June 10-14th, 2024

Thank you to our families for coming out and cheering on our students at **Sports Day** today. It was a fun-filled morning where students rotated through different stations designed by our Grade 7 leadership students. Thank you to our PAC for donating granola bars for the rest stops as it provided a treat for the students between stations. It was lovely to see our families stay for the picnic lunch and enjoy some time with their children under the sun. Some families took advantage of the pizza hot lunch and supported the PAC fundraiser by purchasing a few slices for the family. Thank you to everyone for making Sports Day a success!

This week, our teachers felt so appreciated as the PAC hosted a luncheon for our staff. We felt completely spoiled by this parent community. Thank you!

Please note that Thursday, June 13th, will be the last day for Breakfast Club. Thank you to all our staff and students for making this weekly Currie event possible this year. Have a wonderful weekend ahead!

Student and Family Affordability Fund

The provincial government recently announced a renewal of one time funds for the *Student and Family Affordability Fund*. This fund is designed to assist families who require financial assistance with school-related costs in the following areas:

- school and course fees
- school supplies and course materials
- field trips
- school-related extracurricular opportunities
- clothing and footwear required for sports and school activities

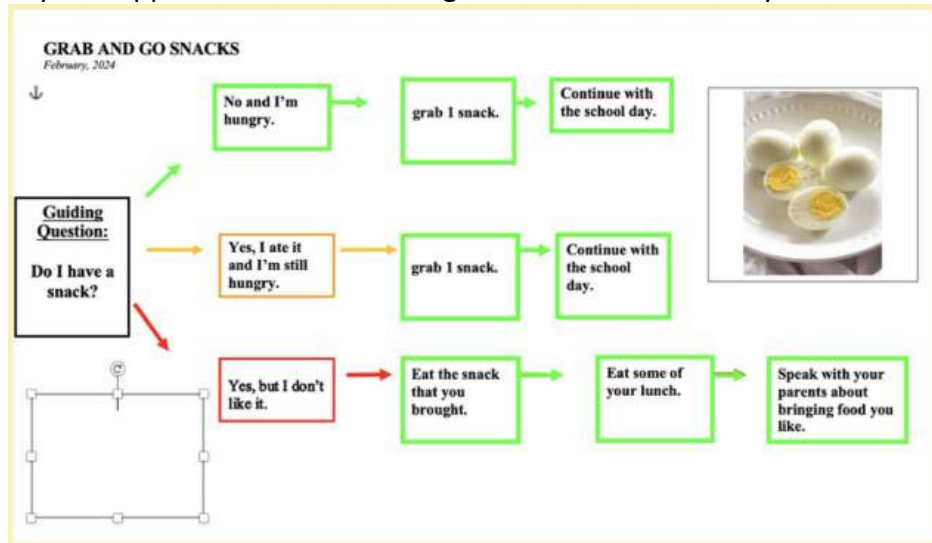

Please reach out to our Principal, Linda Chau, by email(lchau@sd38.bc.ca) if you are in need of assistance. As always, all requests will be treated with dignity and your privacy will be respected. We want to work with our families to ensure that our students, your children, have everything they need to be successful at school. Please do not hesitate to reach out if we can help.

Community Fridge

We are excited to share that we now have a new community fridge at our school. The fridge is funded through the Ministry of Education Feeding Futures Program.

Regularly, we receive deliveries of fruit yogurts, individually packed peeled eggs, fruit and granola bars. We thank the Richmond Food Bank and Richmond Firefighters who are now delivering and stocking our fridge every two weeks.

Classroom teachers will be sharing with our students the purpose of the fridge which is to be able to access food for anyone who needs it. We are using this flow chart for students to ask themselves questions before accessing the fridge. We want to make sure students eat their snacks and lunches from home first before helping themselves to these foods. All students at our school have access to the fridge which is located right in the main office. Thank you for your support and for also having these discussions with your children at home.

Our School Story

We have a new Evidence Post for Our School Story!

Our Focus/Inquiry Question this year is:

How does a growth mindset support our learning in literacy?
