Thank you to our wonderful PAC for organizing such a fun-filled **carnival!** The carnival was complete with a variety of shows, bunnies, food trucks, games and so much more! It takes the effort of many people to make this community event a success and Currie is one lucky school to have the support of so many families.

On Friday, June 7th, we will be having our school **Sports Day**. In the morning, we will have classes visit different outdoor stations led by our Grade 7 students. The primary students will be in the front of the school and side field area, along General Currie Road and our intermediate students will rotate by the soccer field and basketball court. The stations will begin at around 9am. Thank you to our PAC for donating granola bars and organizing a pizza hot lunch for the day. Lunch will be at the same time, from 11:50-12:45pm. The afternoon will be a couple of school-wide games. Families are more than welcome to join in on the festivities for the day. As we plan ahead, please see below for our **2024-2025 school calendar**.

## Student and Family Affordability Fund

The provincial government recently announced a renewal of one time funds for the *Student and Family Affordability Fund*. This fund is designed to assist families who require financial assistance with school-related costs in the following areas:

- school and course fees
- school supplies and course materials
- field trips
- school-related extracurricular opportunities
- clothing and footwear required for sports and school activities

Please reach out to our Principal, Linda Chau, by email([lchau@sd38.bc.ca](mailto:lchau@sd38.bc.ca)) if you are in need of assistance. As always, all requests will be treated with dignity and your privacy will be respected. We want to work with our families to ensure that our students, your children, have everything they need to be successful at school. Please do not hesitate to reach out if we can help.

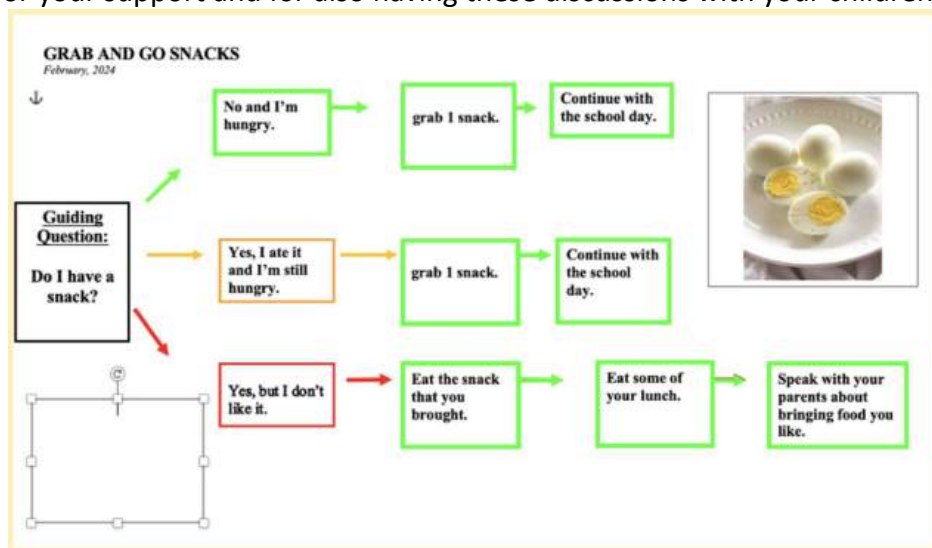

## Community Fridge

We are excited to share that we now have a new community fridge at our school. The fridge is funded through the Ministry of Education Feeding Futures Program.

Regularly, we receive deliveries of fruit yogurts, individually packed peeled eggs, fruit and granola bars. We thank the Richmond Food Bank and Richmond Firefighters who are now delivering and stocking our fridge every two weeks.

Classroom teachers will be sharing with our students the purpose of the fridge which is to be able to access food for anyone who needs it. We are using this flow chart for students to ask themselves questions before accessing the fridge. We want to make sure students eat their snacks and lunches from home first before helping themselves to these foods. All students at our school have access to the fridge which is located right in the main office.

Thank you for your support and for also having these discussions with your children at home.

## Our School Story

We have a new Evidence Post for Our School Story!

Our Focus/Inquiry Question this year is:
