Hello Currie families

Tomorrow is World Teachers Day. On October 5, a day dedicated to recognizing the invaluable role that educators play in shaping the minds and futures of our students. This day serves as a reminder of the profound influence that teachers have on learning and growth, not just within our classrooms, but throughout our entire community. I encourage you to take a moment and think of the teachers that have may a difference in your life, or in the lives of your children or family members. We are truly grateful for all of the educators here at General Currie who help to create the conditions that allow our Currie All Stars to shine bright.

Photo Day: Photo Day is on Wednesday!

Students will be photographed at school.

On photo day, no order form or payment is due.

Review your images and purchase online with ease! See the attached poster for more information.
