Dear Currie Families

It is that time of year that our teachers carefully and thoughtfully start to place our students in their classes for next year. Considerations are not limited to but include learning styles, a balance of learning needs and strengths, social and family (siblings and cousins for example) relationships, connections with staff, physical environment and other considerations. If you have other information that is perhaps new that you think would be beneficial for us to be aware of, please email Mrs. Hoffinger at shoffinger@sd38.bc.ca **Input should not include**

requests or feedback about a particular staff member and should be submitted before **June 6th**.

Charity Market coming Thursday!

Next Thursday, May 29th, Div. 1, 2, 3, and 4 are proud to host our Charity Market for the school! Students have been hard at work creating crafts such as slime, keychains, necklaces, and other creative products for sale in order to raise money for charity as part of their Applied Design, Skills, and Technology project.

Please see the attached market brochure to see what products are being offered and what their prices are. Students will come down with their class to purchase any items they wish. Parents are welcome to come during their child's market day time (this will be sent out in advance of the market day).

Most crafts vary between \$0.50 and \$10! All money raised will go to support the BC Children's Hospital (as voted on by the students). Thank you for supporting our student learning project!

Sports Day

Plans are well under way for Sports Day, Friday June 13th. Please note that lunch will be shortened that day, so we will be having a **2:15 Dismissal**.
