FAQ

1: Order cut off time

Orders need to be submitted by 11PM the Sunday before the hot lunch date. We will not be able to accept late orders.

2: Can I place an order after cut off?

Once the deadline passes, late orders will not be accommodated. Please order early.

3 : I see a "Cancel Order" button. Can I cancel my order?

If the restaurant hasn't accepted your order yet, which is before the cut-off time of each hot lunch, you can cancel it directly. Otherwise, the cancellation won't go through. Please contact our 24-hour customer service at toll-free number **778-402-2900** to assist you with the cancellation. Orders within 48 hours of the hot lunch day cannot be cancelled through customer service.

Please provide the customer service representative with your order number. The order number begins with "CA," and you can find it in your order details.

Each hot lunch in your order is associated with a specific date, please clearly inform the customer service representative which day's lunch you want a refund for, such as "Oct 4 / Cheese Mania." This will make sure that the cancellation is processed according to your instructions.

Once accepted, a refund will be issued using the same payment method you used. For example, if you paid by credit card, the refund will be credited back to your card within 1-3 business days.

If there is less than 48 hours from the hot lunch day, no refund can be issued. The hot lunch will still be delivered to the school on the scheduled day, and you can either pick it up yourself or allow the PAC to handle it.

4: How can I modify my order?

Once payment is completed, the order cannot be modified. However, you can cancel the entire order and receive a refund. You can then place a new order. Please refer to the instruction 3 for order cancellation.

5: Why can't I use coupons sent by Fantuan food delivery?

Fantuan coupons are only valid for regular food delivery orders, not hot lunch orders.

6: Can I place a regular Fantuan food delivery order using the hot lunch link?

No. You need to place a regular delivery order through the Fantuan app or website. The hot lunch link is for school hot lunch orders only.

7: Why is the delivery date incorrect?

The delivery date for a hot lunch may display as a different date. This is due to a system error which will be fixed by Fantuan soon. Please always refer to the hot lunch title for the actual delivery date.
