Volunteer Drivers

Volunteer drivers are often needed for field trips and extra curricular activities such as basketball and volleyball. We appreciate our volunteers and recognize their importance while we maintain a safe environment for all of our students. The school district has implemented a new form which requires a criminal record check for all volunteer drivers and for volunteers that may be required to

supervise a group of students while on a field trip. The Richmond School District has updated the driver volunteer form to include the completion of a criminal record check prior to participating in any school related driving activities. The criminal record check can be completed online, with no cost. We will use the revised form for any new volunteers effective immediately. Please let Mrs. Hoffinger know if you have any questions.
