## **PRINCIPAL'S REPORT:**

- Mr. Ritchie, our Vice Principal, reviewed the Outdoor School Activity of Grade 7 on Oct 14<sup>th</sup> and 15<sup>th</sup> and shared their wonderful moments. He affirmed that the 2-day 1-night itinerary of Outdoor School Activity on October was suitable and recommended for next school year outdoor activity.
- Ms. Sharan Hoffinger, our School Principal, thanked PAC for organizing the "Halloween Candy Guessing" contest and preparing goodie bags for all students and staffs. It was wonderful to see our GYM room full of Jack-o'-lanterns and everybody enjoying the Halloween parade. Despite the poor weather, so many families came to school. Thus, we will do a longer and more accessible route Halloween parade next year.
- PAC also sponsored the magic workshops for all students on last week. During December the same magician Vincent Lee will provide after school magic workshop. More details please refer to the school newsletter.
- The next Professional Development Day will be next Friday. We will continuously focus on developing reading skills and lifelong reading habit. At Currie, we are committed to fostering a learning environment where students collaborate, show kindness, and contribute positively to a diverse and inclusive community.

## **FINANCIAL REPORT:**

- Tina, our PAC Treasurer, reported that we made \$420.2 from movie night, as we committed, the profit will contribute to graduation committee.
- From September to December, our Hot Lunch program raised \$2,017.65 for the PAC.

## **NEW BUSINESS:**

Up until now, we received 63 orders, almost twice orders than last year and more than 20 student helpers signed up for volunteers. Our fundraising coordinator has set up rundown for this event.
- **Hot Lunch:** In response to the requests of many parents, PAC will provide more Hot Lunch Dates Next Year. Order link and more details please refer to the school newsletter next month. Hot lunch orders can be placed during winter breaks.
