Hello Currie families

Happy Friday! Please read below for important information and upcoming dates.

Kind Minds

Monday Feb. 9th marks our second week of the the Kind Minds program.

Students have a booklet of activities that support mental health to do with their families. Students that return their books at the end of each week will receive a sticker. At school students will watch a video that supports each weekly theme. **Parents and caregivers can find out more about the program and how they can support their child’s mental health in a free information session on February 10th, at 4:30 in the library.** Please join us. You

can find out more about the Kind Minds program here:

Learning Updates- Conferences#2

This week you will receive information from your child's teacher about learning update conferences on Feb. 25th and 26th. These learning updates are important as they will provide you with information on your child's progress, and how to support your child's learning in numeracy, literacy and social emotional growth. We hope you can make every effort to attend.
