Hello Currie families

Thank you to all of our students that performed at Currie's Got Talent this afternoon. Your courage, hard work and talents shone through! I would also like to thank our many staff members who were involved in so many aspects from auditioning and coaching students, to set up and tech support.

Thank you All Stars!

Please see below for some important information:

Class Placements for 2026/2027

It is that time of year that our teachers carefully and thoughtfully start to place our students in their classes for next year. Considerations are not limited to, but include learning styles, a balance of learning needs and strengths, social and family (siblings and cousins for example) relationships, connections with staff, physical environment and other considerations. If you have other important information (that is perhaps new), that you think would be beneficial for us to be aware of, please email Mrs. Hoffinger at shoffinger@sd38.bc.ca

Input should not include requests or feedback about a particular staff member and needs to be submitted before **June 8th**.

Book Fair is next week!

Here is a message from Ms. Bohonos:

Get ready. The Book Fair is coming our way (YAY!) Choosing their own books empowers kids and inspires them on their journey to becoming lifelong readers. And every purchase benefits our school's library.

Students will have time at the Book Fair with their classes during the school day. It will also be open after school Monday to Thursday (one adult per family needs to be present) from 2:45 - 3:30pm. Two tips to avoid the after school crowds: let your child play outside first before visiting the Book Fair or visit later in the week such as Wednesday or Thursday.

We can't wait to see you,
Ms. Bohonos

All Star Day

Plans are well under way for All Star Day, Friday June 5th. Please note that lunch will be shortened that day, so we will be having a **2:15 Dismissal**.
